WHAT IS A SIEGER SHOW?

The word "Sieger" means "Champion" in German. The winner of a Sieger Show is therefore the dog that is the most beautiful of the most conformationally correct on the day of the show. The most beautiful male wins the "Sieger" title and the most beautiful female wins the "Siegerin" title. Dogs that are less than 24 months do not qualify for the coveted "Sieger and Siegerin" titles, however, if they are between 12-24 months, they compete for the "Youth Sieger and Youth Siegerin" titles.

Each dog entered in the show is given a written assessment (critique) by a respected and knowledgeable Judge of Rottweilers. The critique describes the dog's features from head to tail. The dogs must be shown in their natural state (ie: no clipping of hair is allowed) and the Judge usually moves them more than in a CKC or AKC type conformation show. This is why there is no dress code for the handlers. We recommend handlers wear clothes and footwear that will allow them to run comfortably.

If you've never seen one or shown in a German style Sieger Show, don't miss the opportunity to enter or come watch the show.

Feel free to contact us if you have any questions.

ZTP (BREED SURVEY)

ZUCHTTAUGLICHKEITSPRÜFUNG

A Rottweiler breed survey (ZtPr) is a test designed to select those Rottweilers that are worthy of being bred. In Germany, only dogs who have passed this test are eligible to be bred. ZTP HELPER

Hello my name is Shannon O'Briant, but my friends call me Woody.

I have been involved in the sport of Schutzhund and the breed of Rottweilers since 1994. I earned my first BH title in 1994 with my dog Apollo Von Duke Morgenrott. We later went on to receive a SchH 1 with High Tracking, High Obedience and High in Trial. My next Rottweiler was extremely special to me. His name was also Apollo (Apollo von Hiedkenz BH, SchH3, IPO3, CD, CGC). Apollo and I competed all over the US in Regional and National Schutzhund Trials. Together we did our fair share of USRC Protection Tournaments winning the Tournament at two Nationals (one time with a score of 99 pts.) and placing second in another. We also competed at a USCA Southwest Regional Championships where Apollo and I won High Protection against some very nice German Shepherds and Malinois who earned V rated scores.

I moved to Canada in 2008 and since then I have titled three Rottweilers in the sport of Schutzhund (two IPO1s and an FH1. I am also currently working/training our dog to an IPO2 and Ztp). I have always earned 90+ in protection with all of my dogs.

I know both sides of the sport also as a competitor and Trial Helper. I have been a helper for the USRC, at both the club, regional and national level for their BST, ABST and LBST breed tests. I have also worked USCA and GSSCC IPO trails. I was the helper for the Ztp's at the 2013 RCC National Sieger Show in Calgary under ADRK Judge, Anton Spindler. I am currently a certified helper with the GSSCC.
